

Interface::checkModbusAddress

```
graph LR; A[Interface::checkModbusAddress] --> B[LedIndicator::setState]
```

The diagram consists of two rectangular boxes connected by a horizontal blue arrow. The left box is gray and contains the text 'Interface::checkModbusAddress'. The right box is white and contains the text 'LedIndicator::setState'. The arrow points from the right side of the gray box to the left side of the white box.

LedIndicator::setState
